Buy your fishing license, outdoors card and bait (minnows, worms, leeches) after you cross the border.

We recommend Eagle Junction, which is between Dryden, ON and Vermillion Bay, ON.

We also ask that you please call us from Eagle Junction (or Dryden) to let us know when to meet you at the boat landing.

Border will not allow any eggs or poultry to cross at this time.

All cabins come with:

All bed linens, pillows, extra blankets, hand towels, dish rags, dish soap, hand soap, pots/pans, dishes, silverware. Motors, gas, nets, and anchors for boats are provided as well as pans for shorelunch. Each cabin has own charcoal grill and fire pit area.
